Miami Player Party to Include Fundraiser for Chilean Earthquake Victims

SOBeFit Magazine is hosting a Miami player party and fitness DVD launch which will include a silent auction to benefit Chilean Earthquake victims.

Marta Montenegro has collaborated with famed pro tennis players Fernando Verdasco, Feliciano Lopez and Carlos Moya for the launch of the Montenegro Method fitness DVD Series in Miami on Monday, March 22, hosted by Tennis Channel's "Fit to Hit" host Danielle Dotzenrod. This DVD series introduces an innovative technique of training like an athlete and promises a long, lean, athletic body in just 21 minutes / 21 days.

Party-goers will be a part of the tennis-crazed celebration and have the chance to bid on sports memorabilia with proceeds going to Hogar de Cristo, a Chile-based charity advocated by #10 ATP Singles Player Fernando Gonzalez, who will be at the event to talk about this important cause. Although the event is not open to the public, a limited number of tickets will be available for purchase priced at \$1,000 each, with funds going to the charity.

Expect tennis-clad décor, familiar Sony Ericsson Open faces like Verdasco, Lopez, Moya and Gonzalez as well as Novak Djokovic, and a fitness fashion show presented by Sports Authority. Refreshments will be provided.

"I am thrilled to get together with all these players to celebrate the launch of the fitness DVD series," says Marta. I also feel privileged to use this event as a platform to raise awareness alongside Fernando Gonzalez for the recent earthquake that devastated parts of Chile. I will do
